What's it all about...?

Instructions: This panel of pins (technically known as pinbacks) provides an abundance of information. What might be ten political or community themes, issues, or concerns addressed by the pins? For those particularly interested in the political process two additional challenges are offered:
(1) The elephant in the "Concentrate in 58" pinback is reading a newspaper with the (obscured) acronym headline – YCERSOYA. What does this mean?
(2) The pin stating, "I am a citizen" refers to what movement? Good luck...
